Excerpt from Art and Education in Wood-Turning: A Textbook and Problem Book for the Use of Students Acknowledgments are hereby given to my wife for her untiring assistance in compiling the text of the book. I gratefully acknowledge, also, the willing attitude of my students in helping to work out the models, in posing for the photographic illustrations and in cooperating in the working out of a higher type of wood - turning. For the working out of the tea wagon wheel, acknowledgment is made to Samuel E. Wardell of the Central High School, Newark, N. J.
