Excerpt from Handbook for Teachers: A Course in Manual Training for Grammar Schools With Illustrations

This hand-book is not intended as a manual for self-instruction, it is simply an arrangement of facts and suggestions relating to the tools and exercises involved in this series of models, to supplement notes taken by the pupil-teacher, which, it is hoped, may be of some assistance to the teacher in her efforts to encourage habits of industry and observation.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
