Excerpt from The Modern Builder's Guide Though there is considerable original matter in the following pages, and though a large portion of that which is not new, as to substance, is entirely so, as it regards manner and language, yet, taken as a whole, it claims to be no more than a compilation. Before concluding, therefore, it will be proper to specify the authors whom I have either consulted or made extracts from, as well as the other sources of aid that I have enjoyed, in compiling this book.
