Excerpt from Modern House Builder: From the Log Cabin and Cottage to the Mansion Another important item is the relative situation of the rooms. If we are obliged to travel too far, or pass through rooms otherwise appropriated, in going from one part of the house to another, a wrong is at once seen; time and labor are lost in one case, and rooms perverted from their original use in 'the other. It has been a special aim to obviate these things in the plans submitted. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
