Format: PDF
Size: 11.69 Mb

Excerpt from Poultry Architecture: A Practical Guide for Construction of Poultry Houses The aim of this book is to give designs of sufficient variety to suit conditions everywhere. Few requests come more often to the office of a poultry editor than those asking designs and directions for some part of a poultry plant. The number and variety of such requirements is surprising. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
