Author: Ohio State University
Pages: 44 pages
ISBN: 9780267738946
Format: PDF
Size: 14.48 Mb

Excerpt from Poultry Houses and Equipment, Vol. 19 Whenever possible, a cellar under this feed room should be provided for root crops and storage. If properly planned, this basement room can be used for incubation during the hatching season, and for crate fattening the broilers for early market. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
