Excerpt from Practical Sheet Metal Work and Demonstrated Patterns, Vol. 12: A Comprehensive Treatise in Several Volumes on Shop and Outside Practice and Pattern Drafting; Special Problems In the respective prefaces to the preceding volumes, the source of the material for the series was told. It may, however, be again stated that through the generosity of metal worker it was possible to compile these books. Needless to say, as it is a well-known fact, that journal has the services of experts in the various fields it represents and accordingly it would seem no further recommendation is necessary for the series practical sheet metal work and demonstrated patterns. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
