Excerpt from Practical Sheet Metal Work and Demonstrated Patterns, Vol. 7: A Comprehensive Treatise in Several Volumes on Shop and Outside Practice and Pattern Drafting As stated in the preface of the other volume, throughout its existence metal worker, plumber and steam fitter has had the services of experts in the lines the paper represents. This has been notably so in the Sheet Metal and Pattern Drafting departments. The experience of these experts has been utilized to answer queries of readers who, having a problem they cannot solve, resort to the columns of that journal. In addition, many readers have contributed ideas, methods of procedure and little time-saving kinks of decided interest to the trade. Naturally then, a large collection of everyday problems has resulted and with the assurance by numerous inquiries that in book form these solutions would be invaluable, they are compiled in a series to be known as practical sheet metal work and demonstrated patterns.
