Format: PDF
Size: 6.89 Mb

Excerpt from Remington Typewriter Furniture To bring the typewriter into use, it is only necessary to lift the lid on the center of the desk, and push it backwards as it rises, until the machine comes into writing position. When not in use, the typewriter remains in the well in the center of the desk, out of sight and out of the way, protected from dust and injury, and where it can, if necessary, be securely locked. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
