Excerpt from Surveying for Beginners Do not come here with parts of the notes of a piece of work in different books. Every note book must contain them all. Present all records. Maps, and drawings, until given a grade. Late comers make up all back work within three weeks, or drop out. Instruments, apparatus and tools, are issued on the check system. Each one gets five checks for which a charge of fifty cents is made. The money will be returned at the end of the semester upon the return of the checks. A check is left for each article issued. The checks are returned upon the return of the articles in the same condition as when issued. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
