Excerpt from Things to Make in Your Home Workshop: Furniture, Ship Models, Toys, House and Garden Conveniences; Woodworking Methods; Use and Care of Tools; Wood Turning; Painting and Decorating In addition to telling what to make, the editor has included in a condensed form as much information as possible on how to make it. The first three chapters are substantially a condensed manual on the choice, care, and use of tools, the making of joints, inlaying, and veneer ing. Chapter V contains the essentials of Operating small woodworking ma chinery, and Chapter VI is really a complete course in wood turning. Paint ing and decorating, too, have been allotted a chapter, although only the less familiar points have been taken up - the special finishes and treatments upon which information is not readily Obtain able elsewhere.
