Trim carpentry requires attention to minute detail, the right tools, and a good amount of patience and care. Written by builders from all over the country, this all-new compilation of articles from Fine Homebuilding magazine provides readers with tips, techniques, and invaluable advice from some of the best professionals in the industry. From the basics of trim carpentry and crown molding techniques, to trimming windows and doors, wainscoting, and stairs, Trim Carpentry is the ideal how-to guide for builders and ambitious do-it-yourselfers who want pro-level information.
