Water - Plumbing Services Series is print only.

Water, 3rd edition is the latest addition to McGraw-Hill Education's award winning Plumbing Services Series. It has been completely revised and updated to meet the requirements of the CPC08 Construction, Plumbing and Services Training Package. This text specifically covers the storage and transmission of water, the materials and hardware associated with water services and the installation of hot and cold water systems.

It also features information about the latest plumbing materials and technology and the increasing importance of sustainable plumbing practices.

Scope

Water, 3rd edition provides complete coverage of Certificate I-III for Plumbing Apprentices in the CPC08 Construction, Plumbing and Services Training Package.
